

## Aims of the symposium

The aim of the symposium is to provide exchange of information and experiences on the new developments, trends and applications under industrial and academic view points in the field of electrical apparatus and technologies, as well as to stimulate personal contacts and fruitful cooperation, especially between industrial and academic institutions.

### *Honorary Chairmen:*

Ilia CHALAKOV, CEEC  
Mintcho MINTCHEV, TU-Sofia

### *Symposium Chairman:*

Ivan YATCHEV, TU-Sofia

### *Symposium Chairman:*

Iliana MARINOVA, TU-Sofia

### *Scientific Secretary:*

Valentin MATEEV, TU-Sofia

## Topics

1. Field problems, study, design and optimisation.
2. Materials and technologies.
3. Low-voltage apparatus.
4. High-voltage apparatus.
5. Actuators and sensors.
6. Power electronics.
7. Transformers, electrical machines and drives.
8. Electrotechnological processes and apparatus.
9. Renewable energy and power quality.
10. Electrohydraulics.

## Call for Papers

Prospective authors are invited to submit papers on the above listed topics. Each author can participate in at most three papers. A **two-page digest** for each paper should be submitted via the conference management system. Each digest will be reviewed by at least two reviewers.

## IEEE Publication

SIELA is an IEEE conference and IEEE holds the copyright of the Symposium Proceedings. All accepted and presented papers after successful similarity check will be published in the Symposium Proceedings and submitted to IEEE Xplore Digital Library, Scopus and Web of Science databases.

## Language

The working language of the symposium is English.

## Exhibition

Exhibition will be organised during the Symposium.

## Venue

The symposium will be held in hotel Bulgaria, in the town of Bourgas, situated on the coast of the Black Sea.

## Registration Fee

The registration fee is 300 EUR. It includes admission to Symposium sessions, a copy of Symposium Proceedings, Welcome Cocktail, two lunches, Coffee Breaks and Gala Dinner. There will be reduced fee of 250 EUR for students and for members of CEEC and IEEE and early registration.

## Deadlines

Digest submission	15.02.2020
Notification of acceptance	15.04.2020
Early registration fee deadline	30.04.2020
Receipt of full papers	15.05.2020
Receipt of exhibition intention	15.05.2020
